Anyone for a swim?

Pretty flowers!

These lovely bananas are growing all around the hotel

Hermit crabs do not have their own shell so find and live in an empty one This one was crawling along a path at the hotel. Coco decided against featuring in this photograph

## TRAVEL SUMMARY

**Duration:** 1 week

**Language:** English

**Weather:** We went in the rainy season but had very little rain and it was still very hot - approx. 32 degrees.

**Currency:** Eastern Caribbean Dollar

**National Flag:**

**Travel:** by plane / BMI (British Midland) 8 hour journey.

**Activities:** swimming/sunbathing/reading/eating/kayaking/  
hobbie cat sailing

**Food:** Lots of it! All inclusive, mainly buffet style meals with hot and cold food and always plenty of pineapple and melon(grown locally). The national fruit is the 'Black'pineapple as it has a dark green skin. It is very juicy and sweet.

**Drink:** Fruit punch and mango crushes were nice drinks.

**Capital:** St Johns

**Interesting facts:** Antigua has 365 beaches, one for every day of the year!

**Distance from the UK:** 6530 km

**Opinion of destination:** Antigua is very hot and humid. It's unlike many other countries because the atmosphere is so relaxed. I really enjoyed it here because there is so much to do and I didn't need to wear my hoody!
