

Sean had his eye on a very expensive yacht but alas his pockets were empty...

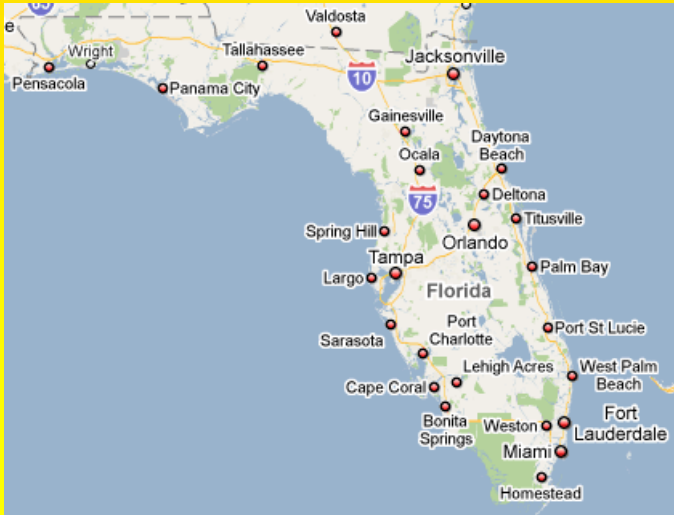

Sean couldn't wait to get take off his old jumper to pose in some Halloween themed clothing, and was more than happy to part with \$20 for the privilege!

Sean wasn't that interested in the game he just wanted to feature on the big screen

The capital of Florida is Tallahassee. Florida is well known for theme parks, oranges, aerospace industry, tourism and alligators. It is called the "Sunshine State" because of it's generally warm climate.
