

Sean—Lake Como September 2009

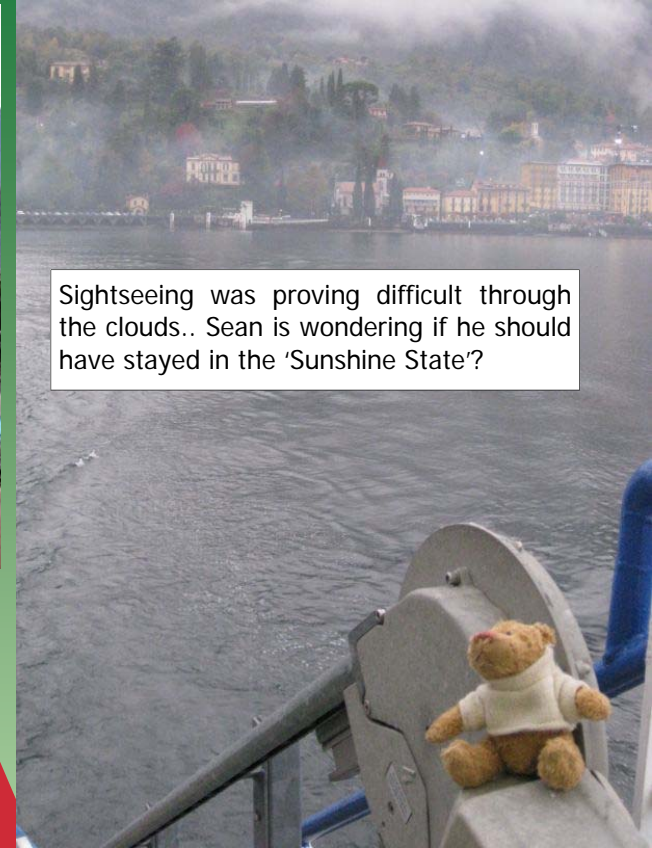

Sean perched dangerously on the edge of the balcony and looked longingly at the pool....

Where's Sean? ....

There he is . . . waiting patiently for food again!

Sightseeing was proving difficult through the clouds.. Sean is wondering if he should have stayed in the 'Sunshine State'?

Sean has decided that perhaps he'll join Cirque du Soleil as he's become very good at balancing and hasn't fallen...yet!

Lago di Como in Italian is a lake of glacial origin in Lombardy, Italy. It has an area of 146 km<sup>2</sup>, making it the third largest lake in Italy, after Lake Garda and Lake Maggiore. Lake Como has always been a popular retreat for aristocrats and wealthy people ever since the Roman times, and a very popular tourist attraction, which boasts many artistic and cultural gems. It is famous for its numerous villas and palaces. Currently, many celebrities have or had homes on the shores of Lake Como, such as Matthew Bellamy, Madonna, George Clooney, Gianni Versace, and Sylvester Stallone. Lake Como is widely regarded as being one of the most beautiful lakes in the world.
