

**George Washington in front of Mont Blanc**

## TRAVEL SUMMARY

**Destination:** Les Gets, French Alps

**Duration:** 2 weeks

**Date:** December 2008

**Language:** French

**Currency:** Euros

**Travel:** We drove to Les Gets and it took 12 hours from Horsham but I'm used to it because I've been going for 8 years now.

**Activities:** I went skiing every day with my family and on a couple of days my dad took me out so I could do a bit of snowboarding. My dad said that I did very well (on a blue run) but I couldn't really conquer the chair lift because I fell over straight away.

I also had Christmas there and I got some really cool pressies.
