Melanie Oakley [Chair]*

Dear Parent

Millais PTA exists for two principle reasons

- 1) To raise funds to provide equipment for the school that cannot be financed within the normal school budget
- 2) To foster relationships between parents, school – its staff and pupils, and the local community

In order to fulfill these aims the PTA runs events and sells second hand uniform. We are looking for parents to sponsor events, donate prizes or fund advertising material. Examples of how this has worked in the past are the banners we put outside school to advertise events were bought by two local companies. This fulfilled the dual aims of the PTA

If you would be interested in any sort of sponsorship or would like to register your interest to be contacted for future events please do not hesitate to contact me via the school

Thank you in anticipation

Melanie Oakley PTA chair
